

Registration Procedure

You can register for classes in person, by mail or online. Your child is fully registered when semester or full-year tuition is received and your child has been placed in an appropriate class. At the beginning of the year, you may try different classes with no additional charge to help determine which is the most suitable class.

Mail in registration with semester or full-year payment or deposit should be sent to: Ballet & Body, 325 E. 65th Street, New York, NY 10065. Registration may also be done by phone at (646)-852-6545.
